The program consists of ECON 101 and 102 (6), COMM 457 (3), and nine credits selected from COMM 329 (3), COMM 458 (3), COMM 465 (3), COMM 473 (3), and COMM 493 (3). Upon successful completion of this Minor program, the notation 'Minor in Commerce' will appear on the student's transcript. Type of Action: Change to the requirements of the Commerce Minor Rationale: These changes were suggested by the Sauder School of Business to allow them to offer a Minor that is consistent between all faculties. The Minor will consist of a set group of courses taken by all students in the Minor. The proposed changes increases the number of courses required in the minor to 18 credits which is consistent with other Minors at UBC.
