**Re: New Policy #18 – Appointment of Designated Senior Academic
Administrators, Joint Senate and Board Policy**

Recommendation:

I recommend that UBC Policy #18 Appointment of Vice-Presidents and Deputy Vice-Chancellors be rescinded and replaced by the new Policy #18 Appointment of Designated Senior Academic Administrators (Joint Senate and Board Policy) in the form attached hereto as Attachment 2.

Background:

In January, 2008, Senate received an earlier proposal to replace Policy #18 with a new Policy #18. The current version of the new Policy has been revised to take into consideration the feedback that was received from Senators.

Under section 27(2)(f) of the *University Act*, the Board of Governors, with the approval of the relevant Senate(s), is empowered to establish procedures for the recommendation and selection of candidates for senior academic administrators as may be designated by the Board of Governors.

The current version of Policy #18 establishes procedures for the recommendation and selection of candidates for Deputy Vice-Chancellors and Vice Presidents and does not distinguish between those Vice Presidents who are “academic” versus “administrative”.

Re: New Policy #18, Appointment of Designated Senior Academic Administrators

Summary of Proposed Policy:

In order to facilitate compliance with section 27(2)(f) of the *University Act*, the proposed replacement for Policy #18 explicitly designates the following positions as “senior academic administrators”.

1. Provost and Vice President Academic (UBC Vancouver)
2. Deputy Provost (UBC Vancouver)
3. Vice Provost and Associate Vice President, Academic Resources (UBC Vancouver)
4. Vice Provost and Associate Vice President, Academic Affairs (UBC Vancouver)
5. Vice President, Research
6. Associate Vice President, Research
7. Deputy Vice-Chancellor (UBC Okanagan)
8. Provost (UBC Okanagan)

Positions 2, 3, 4, 6 and 8 are not dealt with by the current Policy #18. These positions have been incorporated into the scope of the proposed replacement for Policy #18 because the duties of the positions are academic in nature and require as a prerequisite that any candidate be a faculty member or a member of the professional librarian staff.

The following positions are currently dealt with by Policy #18 but are now excluded from the scope of the proposed replacement for Policy #18:

1. Vice President, Administration and Finance
2. Vice President, External, Legal, and Community Relations
3. Vice President, Students

The administration anticipates bringing a separate policy proposal forward to the Board of Governors in May of 2008 that will deal with these positions.

The proposal for a replacement for Policy #18 is consistent in structure and style with Policy #21 – Appointments of Deans and Principals (Joint Senate and Board Policy), which was approved by the Board of Governors on November 28, 2007.

For the position of Provost and Vice President, Academic (UBC Vancouver), the proposal provides that candidates will be considered by an Advisory Committee with students from UBC Vancouver, Senators from UBC Vancouver, and a faculty member selected by the Senior Appointments Committee, as well as the President and members of the Board of Governors selected by the President.

For the position of Vice President, Research, the proposal provides that candidates will be considered by an Advisory Committee with graduate students from both campuses, Senators from both campuses, and a faculty member selected by the Senior Appointments

To: Senate, UBC Vancouver

Re: New Policy #18, Appointment of Designated Senior Academic Administrators

Committee, as well as the President and members of the Board of Governors selected by the President.

For the position of Deputy Vice-Chancellor (UBC Okanagan), the proposal provides that, so long as the incumbent also holds the position of Vice-President, Academic and Research (UBC Okanagan), candidates will be considered by an Advisory Committee with the same composition as that for the position of Provost and Vice President, Academic (UBC Vancouver) except that UBC Okanagan representatives will be substituted for UBC Vancouver representatives.

For the position of Associate Vice-President, Research, the proposal provides that candidates will be considered by an Advisory Committee with graduate students from both campuses, Senators from both campuses, and faculty members from both campuses, as well as the Vice President, Research and Presidential appointees.

For the remaining "Academic Associate Vice-President" positions, the proposal provides that candidates will be considered by an Advisory Committee with students from the relevant campus, Senators from the relevant campus, and a faculty member from the relevant campus, as well as the Vice President to whom the candidate will report and Presidential appointees.

The main principle upon which the composition of the Advisory Committees has been based is the desire for good balance.

The Advisory Committees will consider candidates and advise the President as to recommended candidates. The President will then make a recommendation to the Board of Governors, which then has the responsibility for making the actual appointment.

The proposed text for Policy #18, as well as the associated Procedures, is attached to these docket materials as Attachment 2.

Under section 27(2)(f) of the *University Act*, the Board of Governors is empowered, ***with the approval of the relevant Senate***, to establish procedures for the recommendation and selection of candidates for Deans and other senior academic administrators as the Board of Governors may designate.

As the proposal for Policy #18 would deal with candidates for positions at both UBC Okanagan and UBC Vancouver as well as system-wide positions, it is being forwarded to both the UBC Okanagan Senate and the UBC Vancouver Senate for their consideration and approval, as well as to the Board of Governors. Provided that approval is received from all three bodies, the Policy will be effective as of the date of the last approval, which is anticipated to be from the Board of Governors on April 10, 2008.

While the replacement member may be any person whose participation is expected to contribute significantly to the *Advisory Committee's* activities, the usual practice is for the President to replace a member from a stakeholder group with a person from that group. If the President does not appoint a replacement member, the *Advisory Committee* may complete its work notwithstanding the vacancy.

9.2. **Student Status:** If a student member of an *Advisory Committee* ceases to be a student at the University but remains willing and able to continue to serve as a member of the *Advisory Committee*, the President may permit the student to continue to serve or may appoint a replacement student member at his or her discretion.
