From: Senate Committee on Student Awards  
To: Vancouver Senate  
Re: New Awards and Proposed Changes to Existing Awards (February 2013)

---

The Student Awards Committee recommends:

*That Senate accept the awards as listed and forward them to the Board of Governors for approval; and that letters of thanks be sent to the donors.*

---

**ASSOCIATION of Chinese Canadian Entrepreneurs Award in Business** – A \$1,000 award is offered by the Association of Chinese Canadian Entrepreneurs to an outstanding student in the Sauder School of Business who demonstrates entrepreneurial aspirations. The recipient selected will either be enrolled in the entrepreneurship specialization of the B.Com New Ventures Design course or have participated in entrepreneurship@UBC programming. Preference will be given to a student with an interest in strengthening the competitiveness of Chinese Canadian business in the global market. Award is made on the recommendation of the Sauder School of Business. (First Award Available in the 2013/2014 Winter Session)

**CLOVERDALE Paint Community Service and Entrepreneurship Award in Commerce** – Two scholarships of \$1,000 each are generously provided by Cloverdale Paint to encourage community involvement and student entrepreneurship. The scholarships are given to outstanding students enrolled in the Bachelor of Commerce program at the Sauder School of Business. Each recipient must be a Canadian Citizen and must have demonstrated a commitment to community service and career and/or entrepreneurial objectives. Preference will be given to students related to employees of Cloverdale Paint. The awards are made on the recommendation of the Sauder School of Business. (First Award Available in the 2013/2014 Winter Session)

**Harold DAVENPORT Bursary** – A bursary, up to the amount of \$16,000 has been endowed by the Estate of John McIntyre Stoddart. The bursary is offered to a deserving undergraduate or graduate student enrolled in a course of studies related to the economics of transportation. Such courses of study are currently offered in the Sauder School of Business and the Faculty of Applied Science (Civil Engineering and SCARP). Harold Davenport was Mr. Stoddart's brother-in-law and was among the earliest fliers in the

coastal areas of British Columbia. Adjudication will be made by Enrolment Services.  
(First Award Available in the 2013/2014 Winter Session)

**Constance Livingstone-FRIEDMAN and Sydney Friedman Foundation Scholarship in Health Sciences** – Two to four scholarships totalling \$100,000 are offered by the Constance Livingstone-Friedman and Sydney Friedman Foundation to medical residents and graduate students in the health-related sciences. The scholarships should be used to pursue scholarly activities (education, research or training) outside of Western Canada. Constance Livingstone-Friedman and Sydney Friedman were two of the earliest faculty members in UBC's Faculty of Medicine. Their contributions to both medical education and research were foundational to the early development of the medical school at UBC. The scholarships are awarded on the recommendation of the Faculty of Medicine, in consultation with the Faculty of Graduate Studies. Recipients of this award will be recognized as 'Friedman Scholars'. (First award available 2013/2014)

**Ronald B. HOWARD Memorial Bursary in Architecture** – A \$1,500 bursary has been endowed by the family of Ronald B. Howard to honour his memory and provide financial assistance, with preference given to a student who shares his passion for excellence in design and academic achievement. Ronald Howard, graduate (1957) of UBC School of Architecture was the Founder of Howard Yano (later Howard Bingham Hill) Architects. Mr. Howard made significant contributions to architectural design in Vancouver, including the Kitsilano Pool, Langara Community College campus and Emily Carr University of Art and Design. The bursary is for a student in the 2<sup>nd</sup> year of the Masters of Architecture Program with outstanding academic potential. The award is adjudicated by Enrolment Services. (First Award Available in the 2013/2014 Winter Session)

**LANGDALE Graduate Scholarships in Education for Teachers of Students with Visual Impairments** – Up to three scholarships totalling \$4,725 are offered to student(s) pursuing a Masters degree in the Faculty of Education in the Students with Visual Impairments Program on the UBC Vancouver campus. This scholarship is made possible through the generosity of a UBC graduate who has a longstanding interest in assisting children who face difficulties in learning, particularly students who have visual impairment. Preference will be given to experienced British Columbia resident classroom or special education teachers working outside of the Lower Mainland who are sponsored by their district and will continue to teach in the sponsoring school district. The award is made on the recommendation of the Department of Educational and Counselling Psychology, and Special Education in consultation with the Faculty of Graduate Studies. (First Award Available in the 2013/2014 Winter Session)

**Suzanne LEE Teachers' Education Bursary** – A bursary of \$2,000 is offered through a partnership between the Minerva Foundation for BC Women and UBC's Faculty of

Education to a female student studying education. The Minerva Foundation is a BC organization that assists women and promotes the development of women leaders through education. Preference will be given to a student who is a single parent, is aboriginal, is a mature student or has immigrated to Canada in the past four years. Students must have demonstrated financial need. The awards are made on the recommendation of Enrolment Services. (First Award Available 2013/2014 Winter Session)

**Charles NESBITT Memorial Scholarship in Mechanical Engineering** – Scholarships totalling \$1,000 have been endowed by the Charles Frederick Nesbitt Trust for undergraduate students in the Department of Mechanical Engineering. Charles Frederick Nesbitt graduated from UBC in 1950 with a degree in Mechanical Engineering. Mr. Nesbitt passed away on April 1, 2010 in Long Beach, California. The awards are made on the recommendation of the Department of Mechanical Engineering. (First Award Available in the 2013/2014 Winter Session)

**Roy A. STUART and Family Engineering Scholarship** – A scholarship of \$5,000 has been endowed by Dr. Roy A. Stuart for an undergraduate engineering student in third year or beyond. The recipient must be a Canadian Citizen in Geological or Environmental Engineering. The award is made on the recommendation of the Faculty of Applied Science. Financial need may be considered. (First Award Available in the 2015/2016 Winter Session)

**Previously-Approved Awards with Changes in Terms or Funding Source:**

**#1211 – Universal Buddhist Temple Prize:** Five prizes of \$300 each are offered by the Universal Buddhist Temple to outstanding undergraduate students enrolled in courses that cover Buddhism, with preference given to students in courses where Buddhism is the major focus of course content. The awards are made on the recommendation of the Department of Asian Studies.

**How amended:** Removed essay and specific course requirements to broaden the criteria.

**03241 Dr. Laura G. JASCH Memorial Prize** - A prize of \$600 has been endowed by friends and colleagues of the late Dr. Laura G. Jasch. Dr. Jasch, an Associate Professor in the former Department of Anatomy, now the Department of Cellular & Physiological Sciences, died in 1984 in a mountaineering accident in Southeastern B.C. She was a dedicated and outstanding teacher and researcher. The prize is awarded to a student supervised by a faculty member of the Department of Cellular & Physiological Sciences who exhibits the best combination of research achievement and teaching or service (such

as committee work) to the Department or to a student in the post-baccalaureate program in Medicine or Dentistry who shows promise in teaching and research in Anatomy. The award is made on the recommendation of the Research Committee and the Head of the Teaching Committee in the Department of Cellular & Physiological Sciences.

**How amended:** Department of Anatomy no longer exists, but has merged with the Department of Physiology to form the Department of Cellular and Physiological Sciences. Thus we have now requested that the prize be awarded to graduate students of faculty members in the Dept. of Cellular and Physiological Sciences and include students in post-baccalaureate programs.
